

COCHLEAR™

SAFE & SOUND

A free safety program for people with hearing loss

If you or someone you care for has hearing loss, do you know how to stay safe?

- While driving or traveling?
- In the hospital?
- In the event of a fire?

Learn from leading experts in our community whose focus is to keep you and your family safe and sound!

RSVP www.Cochlear.com/US/Events
or call 1 877 651 7003

You should talk to your physician about who is a candidate for implantation with a cochlear implant or bone conduction system and the associated risks and benefits of the procedure.
